## Reaching Puebla, Mexico

### One Soul At A Time.

**35 teenagers headed to youth camp in our bus. 133 in attendance for our first anniversary!**

I want to thank God for the blessings he has bestowed upon us. God has allowed our church to grow to the point that we are now averaging around 90 people every Sunday. We also praise God for the many souls that have been saved and have followed the Lord in believers baptism. Thank you all so much for your faithful prayers and support.

#### PRAYER REQUEST:

1. For safety as the situation with the drug cartel is increasingly dangerous.
2. For the Bible Institute that will be started in September.
3. For a piece of land for the church where we can build a sanctuary and dormitories for the Bible Institute.
4. Growth in the church, in number and spiritually as well.
5. For the 6 teenagers in our church that have surrendered to full time service.
6. For the 4,000,000 souls in this city that still do not know the Lord.

#### The Need For Laborers

Pray ye therefore the Lord of the harvest, that he will send forth laborers into his harvest. Matthew 9:38

This has been our prayer for many months; that God will send laborers into the harvest here in Mexico. There is so much to be done here. Puebla is the fastest growing city in Mexico and yet we have fewer Bible-believing churches than any other major city. I encourage you to pray that God will send laborers to his harvest here. If you have never taken a mission trip, I encourage you to visit Puebla. I promise you that a mission trip will change your life forever. I believe it is good for all teenagers to take a mission trip once in their life. If you would like to come and visit or if you would like to come and work with us for a short term, please contact me at the contact information listed above.
