Dear Praying and Supporting Friends,

The Lord has blessed us in so many ways, it would be impossible to tell you in this letter of all the blessings we have received in the last few months. God is working in ways that I never thought were possible and I give him all the glory. I would also like to thank each of you, because of your prayers and faithful support we are able to continue to do what God has called us to do. In addition to this letter, this month we are sending out a DVD of the work down here. This DVD will give you a visual idea of what God has been doing and also you will have the opportunity to meet some of our people. If you do not receive a DVD within the next month and you would like one, please email me at timothy@reachingmexico.com and we will make sure you get one.

The church is growing so fast that we soon will not be able to seat everybody in our current building. Last Sunday we had so many people that we literally did not have any more seats. We even had a few people sitting in lawn chairs in the back because there was no more room in the benches. In addition to the high attendance, we are seeing people saved on a regular basis. Our schedule is filling up very fast as well. Our people requested that we start an additional mid-week service. Now we have services on Tuesday and Thursday. We also are doing 5 Bible studies in different homes throughout the week. We give God all the glory for what he has done here.

Certainly there have been hard times as well. About a month and a half ago, thieves broke into our church and stole everything we had. They stole all of our sound equipment, an electric piano, our projector and other items of importance as well. Also, there have been some problems with the landlord of the place we are renting and in two more months we will have to find another place. We are praying that God will give us a piece of property where we can build a building for his honor and glory.

Please continue to pray for the need of a piece of property for the church. As well, please continue to pray that God will increase our current support level as it has dropped from where it was when we first arrived here. Of course please also pray that God will continue to grow the work here and more souls will be saved before it is too late. Thank you once again for your prayers and support and may God richly bless you all.

Your ambassadors,
Timothy, Dana, Bethany and Timo
