June-July 2011

Dear Pastor Rogerson & Church,

"...that they might be saved." Romans 10:1

The purpose of what we do is for God's glory and "that they might be saved." In June and July we had the opportunity to print the following:

- 361,100 Swahili John & Romans for East Africa
- 301,200 English John & Romans for USA, Africa, Europe, Philippines
- 202,000 French John & Romans for Haiti, Africa, Canada, France
- 226,700 Polish John & Romans for Poland
- 5,100 Amharic John & Romans for Ethiopia

In addition to printing these Scriptures, we have bound 30,000 French whole Bibles that will be going to Haiti and multiple countries throughout Africa. We are currently printing 50,000 English whole Bibles, which will be followed by 50,000 Burmese New Testaments and 100,000 English New Testaments. We have requests to provide Tagalog New Testaments for the Philippines and additional Spanish Scriptures for distribution throughout Mexico. A request came from leaders in Mexico asking for more religious materials just as a truck left El Paso heading to Mexico City with 333,617 Spanish John & Romans and 2,160,000 Spanish tracts. Praise God for His timing, His Word, and His supply. Thank you for having a part in getting the gospel to them *"that they might be saved."*

Serving Him Together,
