Praise Jesus Report September 2011

I praise the Lord. Jesus is still saving lives. This summer the Lord rolled back the curtain and made me aware of three children He saved from being murdered by abortion.

My wife Kathy and I were doing street work from the side walk on Woodruff Road, Greenville SC in June, 2011 when a woman employed by Piedmont Women's Center in Greenville told us that a woman came in and told her that she kept her baby because that my wife and I were on Woodruff Road. **Praise the Lord!**

On July 9, 2011 as my wife and I were on Woodruff Road, I heard a voice behind me saying "you saved my baby"! "you saved my baby!" I turned around and saw a man and woman in a car with a small boy in the back seat. I believe he was about two years old. The mother and father said this child was saved from being aborted because of my wife and I being on Woodruff Road. **Praise the Lord!**

On August 8, 2011 my wife and I were doing street work from the sidewalk on Second Loop Road in Florence, SC. A couple pulled into the Hardees on the corner and showed us Carson their two year old boy. His mother explained that she came through this area while she was pregnant with Carson. She said that she had already made plans to go to Charleston, SC to have an abortion. Just two days before she would have gone to Charleston she saw us on Second Loop Road and she chose to keep her baby. **Praise the Lord!**

We Praise the Lord! for three children saved as a result of us doing work out of town. Psalm 127:3 says, "Lo children are an heritage of the Lord: and the fruit of the womb is his reward." We've had lots of reports of local children being saved as well. Please pray for us that we can continue to get this message out. We would be thankful if you could contribute to help with the expense of this Ministry.

Please mark Saturday January 21, 2012 on your calendar. This is the eve of the anniversary of Roe Verses wade, - The wicked supreme court decision to allow women to abort (murder) their children in the womb. We will have a "We claim South Carolina" Rally on this date at 1:00pm. Please come stand with us. We need to fill the ground on the north side of our State House with Christians who are dedicated to the cause of Life. Let us show our lawmakers that we will not tolerate the shedding of innocent blood. I ask you to stand up for life! We can make a difference.

Please remember Saturday January 21, 2012 at 1:00pm and plan to be at our State House to claim our state for God. Let us believe God for the victory. I look to see you at our State House.

Praise The Lord for saving lives!

Your servant – Johnny Gardner
