June 2011

Dear Friends and supporters,

Greetings. I trust this letter will find you well.

We just finished our deaf camp here in Manila on Friday. God blessed during the week. The camp theme was: "Be Ye Holy". The preaching, teaching, songs, and memory verses were all centered around this theme. As a result of this camp, we saw many lives touched.

285 Deaf Attended 59 Saved 153 Other Decisions

We had many wonderful decisions. We have had some trouble recently with the Deaf being drawn into false cults. (They get the Deaf by paying them to come and to stay.) After some of the classes, several Deaf made decisions to stop attending these cults.

We had one deaf lady who has had some problems in her marriage. After a class on being a good Christian wife, she told us that she was wrong. She would now begin to do right by caring for her husband and children as the Bible teaches.

We are so thankful for the many good results from deaf camp.

Last December, I was the speaker for a deaf camp at Bible Believing Baptist Church in Laoag City (far north). During that time, I taught the Deaf soul-winning. I also provided soul-winning materials we created, printed and distributed for the Deaf to use. Last April, this group of Deaf went to a city near Laoag. They went door-to-door witnessing to both the Deaf and the hearing. The Deaf who took my class used our materials and won 22 Deaf to the Lord that day! Praise the Lord for using the Deaf to win others to Himself.

We will be starting the Deaf Bible School again on June 14th. (School starts here in June and ends in March.) Please pray for many to enroll.

We have many meetings and training seminars planned. Please pray for many to dedicate their lives to the work of the Deaf.
