

## *Horton's in Honduras*

*John 15:16*

*Ye have not chosen me, but I have chosen you, and ordained you, that ye should go and bring forth fruit, and that your fruit should remain: that whatsoever ye shall ask of the Father in my name, he may give it you.*

August 1, 2011

Dear Friends in Christ,

We are excited about the church here! It is built, but not completely finished. We are so thankful to the group who came down and finished it for us, and for all those who helped out finically! We still need electricity, concrete floors, doors and bars on the windows. Below is a list of the cost needed to finish the church. We want to try to have it finished by September. Our pastor, Bro. Frazier will be coming down to do a meeting to constitute the church. My brother in law, Doug Grant will also be coming. We hope to have everything ready by then.

We have the windows ordered for the facility and they should be ready within the next week. We have to start looking for ceramic tile & getting some prices. We need to finish the electric, installing bathrooms, cabinets, and doors. We would like to be moved in by the end of the year. If you would like to come and help, just let us know. Any and all help is appreciated!

Please continue to pray for our family and the ministry here. The family has had a lot of health problems since we returned from the states. We need prayer for health, finances, God's protection and guidance. Thank you for all you do to help the ministry here in Honduras.

Finances needed for the church:

Electric: \$1,000

Concrete floor: \$800

Doors & window bars: \$600

In Christ,  
*Bro. Trent Horton*

View of the church from the facility.

The inside of the church.

The outside of the church.
