Dear Praying Friends,
August 2011

From the last week of June through August the ministry has been extremely busy. We had three teams to be with us from different parts of the United States to help us canvas, seed and reseed Brighton Beach with the Gospel of our wonderful Lord! Though the area is hard, God's Word [as He has promised] will never return void! Our last two services has been a little slack due to some of our people being on vacation, but we are privileged to report that through this summer we have seen 5 souls come to Christ for salvation of which two are Jewish! Also two new members have been added to the Brighton Beach Baptist Church during the month of July. "We Praise The Lord for these!"

We were honored to see the Church turn seven years old on June 6th. It was a wonderful day with preaching, singing and a lot of food. We gave a report during our service about the accomplishments of the Church. Since arriving in Brighton Beach a little more than eight years ago, a little prior to the Church being established; we have by the grace of God been able to place some 2.1 million Gospel tracts into Jewish and Gentile hands. Also a little more than 51,000 Bibles have been given to the Jewish people. But more than these we are grateful for all that have truly come to the Lord Jesus for salvation and for each one that still remains with our Church. We also realize that the untold numbers that may have come to the Lord will only be revealed in eternity... A special thank you to all that have contributed to help us reach this community: We are grateful for the Bible printing company in London England that has been so gracious to help us by giving us the Scriptures printed in Hebrew, Russian & English. Also for all of our supporters that have helped us in purchasing tracts for distribution in Brighton and their faithful support to help keep us on the field! The Church is now praying about a new work in another Jewish community. We have several places that we are praying about, but the one place that the Lord has placed on my heart is the Upper Westside of Manhattan, NY. This area has about 100,000 Jewish people with-in a thirty block area. As far as we know there are no Bible Believing Baptist Churches in this area. We ask that you be in prayer with us about a new work to be established in a Jewish community where no Church exist, where no Gospel is given and were no one is trying to reach them! This area fits the description! We are seeking the Lord's will daily! This new work would be established out of Brighton Beach Baptist Church. What a privilege it is to be able to continue to serve Him and continue to reach the Lost House of Israel with HIS truth! God's people have kept this work moving forward, we cannot be thankful enough for each and everyone that is continuing to be part of this on going work to reach His Chosen people! Please be in prayer for Pastor Sasha; he has been with us now a little over a year and is praying about merging his Church with ours. They meet early on Sunday morning giving him the opportunity to be with us later on Sunday mid-afternoon. Pastor Sasha speaks fluent Russian and very sound in doctrine. Pray for him and their church, they are about ten years old as an establish Russian Baptist Church.

A special thank you to each of these that came and helped us this Summer. We canvased the area and saturated it with Gospel of our Lord Jesus! Thank you Pastor Downing Gregory, Pastor Terry Basham a long time supporter from New Life Baptist Church in Ohio, Pastor Hall and all of the team from Faith Way Baptist Church in West Virginia. Thank you Believers Baptist Church and Pastor Kerrigan from Nebraska and a special thank you to my long time friend from our hometown in South Carolina, Pastor David Duncan and Liberty Baptist Church for all of their help during our "Three day Conference on Jewish Evangelism." There are so many people here and so few to get the Word out! We are always grateful for those that are willing to give of their time and self sacrifice as well as what it cost to come, stay and work! Thank you for being a blessing to us and for each one that received our Lord's Word due to your help! Concerning my health, I am doing well and by the mercy of our Lord I am still in remission. I do have a good bit of pain when I wake up in the mornings from the damage that the cancer caused to my bones. However, after about an hour in prayer and alone with the Lord, I am ready to go. I thank the Lord daily for His mercy on my life... Geri, is doing well! I thank the Lord daily for my wife, she is a wonderful help to me and the ministry. She is truly a trooper!

Thank you for all of your help and Prayers...
Our Gratitude and appreciation extends far beyond our words alone...
