September 12, 2011

Dear Pastor and Friends,

Summer is almost gone and fall is in the air. This summer when I rode down the road and saw all the Vacation Bible School signs my mind always goes back to the Vacation Bible School in the summer of 1976. My three children went to Bible school at Bible Baptist Church in Ash Grove, Mo., and I got saved on Friday night of that week. It was the best decision I made in my life.

We still get calls on boys and the problem is always the same (rebellion) No respect for authority what so ever We need to pray for our youth and keep them in Church.

As for my health I 'm not doing to good since my last new letter. I go back to the Dr. In December and they will do a C.A.T. Scan..To see if cancer has grow any.

We want to Thank You all for your support and prayer in these trying times. Keep us in your prayer.

Because of Jesus,

Olen King
