## NOVEMBER PRAYER LETTER

It is hard to believe that Thanksgiving is here already. They say that time flies when you are having fun. It definitely does when you are extremely busy. It surely is an amazing life we live, when we get to have so much fun staying busy for our Lord. I will never understand why God chooses to allow mankind to be involved in His divine work, especially one of such importance that eternity is at stake for individuals, but I am certainly grateful that He does. What a privilege it is to serve our Lord, and to share the glorious message of His love with others. The last couple of months have been packed. We have been in mission conferences in Ohio and South Carolina, as well as doing Seedline projects in Georgia, Ohio, South Carolina, Maryland, and Virginia. Many of these Scriptures produced were loaded into a container November 23rd and begin the journey to the Fiji Islands. This container held 300,000 English John & Romans. They will be distributed among churches on the island for distribution efforts for their local churches. I am told there are only 900,000 citizens on the entire inhabited areas of Fiji. The majority of homes have more than three people residing there. That means there will be enough Scripture arriving there soon to be placed into every home of the country.

In the last few months, God has provided for us to send containers of Scriptures to the Philippines, Honduras, Australia, and Ghana. These were full of John & Romans, New Testaments, and whole Bibles. The container to Australia was filled with whole Bibles that will be assembled in Australia and distributed in the schools on Solomon Island. We were also able to print 300,000 whole Bibles in the Burmese language. This was a Bible translated by Adoniram Judson himself. Thank you for your prayers and even financially helping Bearing Precious Seed of Milford. By partnering together with your church and other independent Baptist churches around the country, God has enabled us to be on track to print over 9,500,000 Scriptures this year. We certainly could not do this by ourselves. This truly is a testimony of what God's people can accomplish for Christ when we focus upon getting the Gospel to a lost and dying world. I pray you have a wonderful holiday season as we celebrate God's gracious goodness and His glorious Gift of His Son. May the Lord bless you richly.

Your Co-laborer for our Lord,

Jerry Sexton  
BPS Missionary
