February 2012

Praise the Lord! 2012 has begun with God doing wonderful things for Bearing Precious Seed. We have seen very good responses from Pastors about partnering with us in National Bible Publishing Month this year. Most are taking up an offering on February 26, but others are doing so throughout the year when it is more convenient for their church. The need we are trying to fill will require 480 rolls of paper. The amount that we are begging God to provide is \$300,000. Both would require a miracle from God. Being able to find 480 rolls of paper in a relatively short amount of time at a fair price, as well as the \$300,000 to pay for it are both out of our control. We are praying that God will do what only He can do. Please pray for this effort. Truly, souls are at stake. Men, women, boys and girls that desperately need to hear the Gospel of Jesus Christ may only have this one opportunity to receive the Gospel.

Please continue to pray for my back situation. I was able to travel over 2500 miles in January, preaching in KY, TN, GA, and FL, as well as meet with a few pastors throughout the week about helping in NBPM. Praise the Lord for allowing for me to handle that well. I have to stop more frequently and walk around. I have to limit my driving per day to about 5 hours, which increases my expenses dramatically, but God has been meeting the need. We all have something that satan would like to throw in our faces for us to use as an excuse, and this is just the issue I have to learn to work around. We have been seeing God do some amazing things in churches, and we consider ourselves genuinely blessed to be able to serve the Lord and be involved in His work. Please continue to pray that God will give me the strength necessary to continue doing the work that God has called us into. I have many more miles to travel just this month alone. **If do feel led to partner with us to provide these Bibles and New Testaments for Southern Sudan, Zambia, Philippines, and Mexico through National Bible Publishing Month, please send a check for the total amount raised to BPS Milford at 1369 Woodville Pike Milford, OH 45150 and put NBPM in the memo.** Thank you for your prayers and support. We certainly could not continue to do what we do without folks like you partnering with us. May the Lord bless you richly.

Your co-laborer for our Lord,

Jerry Sexton
