Dear Supporting Churches,

It is great once again to write to you the wonderful things that God is doing for us at Faith Baptist Church in Ralston, NE. The start of this year has been filled with much work as we labor for the Lord. Toward the end of January the Florist shop next door decided that they could not afford all of their rent, so we were able to acquire about 1000 more sq. ft. of space beside us. It took us about a month to get it completely ready (doing most of the work ourselves), but God was gracious and we completed the space and created a much needed nursery, teen class, and a place for a childrens church to meet (Praise the Lord). We noticed however, that the lady who owned the Florist shop never did anything with the 250 sq. ft. that she kept of the front of the bay. So, after inquiring, she left the space altogether and we have recently taken over the front of this space. After more remodeling we will have a foyer entrance into the church, and another Sunday School room added to our space. As I write this letter, we have got most of the work done and still lack laying tile down in the foyer.

The space is not all that has grown, we have had one family to join the church, we are going to speak to another family this Sunday about joining the church, and we have had yet another family start coming about 2 weeks ago and have really been enjoying the services. This has all taken place in the first quarter. We are very excited and thankful to the Lord for growing this church.

The family is well, and the kids are looking forward to the summer break. Please pray for our evangelistic campaigns, as we are going to try to go into small towns this summer as a church and knock doors and have services. We know if we focus on missions and evangelism, the Lord will take care of this work. Thank you for your continued support, and I want to apologize for the delay of this letter, it has been busy, busy around here.

Your friends,

The Shumakers
