We can surely say that we have tasted the goodness of the Lord. I thank my wonderful Lord for all that He has done this year. We have moved to the south of Brazil to be part of a team in starting churches and training young men for the ministry. We now live in a state called Santa Catarina, a state that has less fundamental Baptist Churches in all of Brazil. We were invited to come to this area because of the need for workers to help establish churches and Bible Institute to train men to start churches in this state. We moved here at the beginning of this year and have been busy preaching and teaching and organizing a Bible Institute, praise the Lord we have seen several people come to know Christ as their personal Savior. In the month of May and June we had approximately 14 people getting saved. We praise the Lord, because that is the reason we are here. Our new address is **Caixa Postal 22002 – Florianópolis, SC – 88095-971 – Brazil, SA**. We also had to change our e-mail because our old e-mail was infected by a virus so our new e-mail is [ptajrose@yahoo.com](mailto:ptajrose@yahoo.com)

We are eternally grateful for your faithfulness in supporting us month by month, some of you for many years now. This June, 2011 we celebrated our 20<sup>th</sup> year as missionaries to the country of Brazil and we thank God for that. I will be sending a letter every two months to let you know how things are going with our ministry. If by any chance your church requires a monthly letter please send me an e-mail and we will send you a report monthly. We have had some churches to drop us because of financial difficulties, but God has been faithful. Again, thank you so much for your faithfulness in supporting us, if it were not for you we would probably have to come home and raise more support. Thank you so very much. We love you all in the Lord.

In His Service Together,  
Terrill, Adriana and James Rose
